Attorney's Docket No.: 15132-090002 / MPI1997-

REMARKS

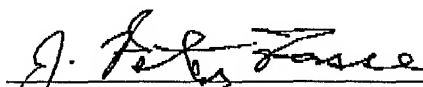

Claims 39 to 50 would be pending in the application if the amendments described above were entered. Applicants propose to add new dependent claims 41 to 50. These new claims are supported throughout the specification, e.g., by originally filed claims 3 to 7. Accordingly, the new claims would add no new matter to this application.

Further, although the proposed amendments would add several new claims, they would raise no new issues that would require further consideration and/or search. Applicants submit that these amendments would place the claims into condition for allowance, or at least present the rejected claims in better form for consideration on appeal, and should therefore be entered after the final rejection under 37 C.F.R. § 1.116.

No fees are believed to be due at this time. However, please apply any charges, or any credits, to Deposit Account No. 06-1050, referencing attorney docket number 15132-090002.

Respectfully submitted,
